## CHIC DNA REPOSITORY

The dog named above has a DNA sample banked with the CHIC DNA Repository. Any future use or distribution of this sample is within the sole discretion of the CHIC DNA Repository. Pedigree and health survey information remains confidential and will only be released to researchers that have been granted access to the sample. Since many samples are submitted when dogs are young and healthy, in order to maximize the potential usefulness of the sample it is important to provide updates regarding any significant changes in the dog's health over its life, in particular any health changes that may have a heritable component. To update the dog's health history, please email the OFA at [ofa@ofa.org](mailto:ofa@ofa.org) with the dog's registered name and number, as well as the new diagnosis. You may attach any supporting documentation such as lab or pathology reports. The DNA bank number assigned to this dog is:
